DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on **7/23/02** and **10/03/03** have being considered by the examiner.

Drawings

2. **Figures 3 and 4** should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. **In this instance, the figures 3 and 4 are different than the printed patent.**

New or amended figures on drawing sheets must be filed as per 37 CFR

1.173(b)(3).

Reissue Applications

3. The Reissue oath/declaration filed with this application is defective because it fails to identify each inventor by full name, and country of citizenship as required by 35 U.S.C. 115 and 37 CFR 1.63(a)(3). Each inventor's residence and mailing address must also be provided. Thus the inventor name by itself is not sufficient.
4. **Claims 1-18 are rejected** as being based upon a defective reissue stated with the reasons above under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the Declaration is set forth in the discussion above in this Office action.

Conclusion

5. Claims 1-18 are allowed over prior art of references.

6. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed. Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251.
